## WINE HOST BIO

**Dan & Ellen Kessler, Winemaker & Owners of Kessler Haak Vineyard and Wines**

Dan Kessler was born in Lansing, Michigan and graduated with a BSEE/MSEE degree from MIT in 1981. He spent the early part of his career developing state of the art semiconductor fabrication technologies for Hewlett-Packard in Fort Collins, CO. In search of warmer weather, Dan made his move to sunny California where he joined Vitesse, a small high tech startup company.

A love for wine started Dan on a journey that took on a life of its own. Drinking wine led to learning about wine; led to learning about winemaking; led to making wine as a home winemaker; led to planting a small 200 vine vineyard in his backyard; led to obtaining a Winemaker's Certificate from the UC Davis Distance Learning program; led to falling in love with Sta. Rita Hills; led to buying a 40 acre parcel and planting a 30 acre vineyard; led to, well, where he is today.

Dan loves to learn and is actively involved in every aspect of growing and making wine. In the vineyard, you will frequently see him on the tractor, working with the crew, or meeting with his soil and nutritionist and vineyard management consultants. When the early spring weather gets cold, he's out in the wee hours turning on the frost protection systems. When he is not in the vineyard, you will find him at the winery managing wine production or in the tasting room chatting with visitors.
