WINE HOST BIO

Ana Keller, Keller Estate Winery

Arturo Keller and his wife Deborah first fell in love with the site while driving a vintage car through the meandering Sonoma roads, and selected the property for its potential as a site for a world-class vineyard. Clearly, the property's beauty, setting, and history in the Petaluma Gap area influenced our decision to make it our home.

Ana Keller, Arturo's daughter and a biochemist by training, has been at the helm of Keller Estate Winery since the family-run business turned from vineyard to winery in 2000. Ana joined the winery eager to create the most exquisite wines from the Estate's vineyards. Ana's passion has established Keller Estate as a benchmark for producing some of the best wines in the Sonoma Coast, and her dedication has been instrumental in helping to establish the Petaluma Gap as the country's newest AVA and in promoting the wines of this region worldwide.
